

Seasons Greetings From Lap Dog Rescue of NM

December 2019

'Tis the season for sharing love and joy with our families, friends, and neighbors. This year, we brought good tidings to over 360 small dogs that we rescued from difficult circumstances and who have found their own new adoptive homes.

We're honored to have become an adoption partner of PetSmart Charities this year. PetSmart sponsored several adoption events for us this year and were very generous with donations of much-needed dog supplies.

Thanks go for our partners in rescue such as Planned Pethood de Juarez, who rescues very unfortunate dogs in Mexico, transporter Josette Watson who works tirelessly transporting dogs to Colorado, Utah and New Mexico to find the "right" rescue group, and for our many other rescue partners throughout New Mexico.

We can't do our work without our wonderful veterinarians – Vista Larga Animal Hospital, Petroglyph Animal Hospital, Manzano Animal Clinic, Malaherd Veterinary Hospital, VCA Arrighetti Animal Hospital, and Route 66 Veterinary Emergency & Critical Care Center. Of course, the dogs must eat! Thank you, Simply Diego's for taking care of our food and supplies needs. What little one doesn't like a day at the beauty salon thanks to Prairie Dog Grooming!

Nothing happens without our devoted fosters, volunteers, donors and all of the individuals and businesses that sponsored fundraisers and adoption events for us this year. Holiday blessings go to each and every one of you.

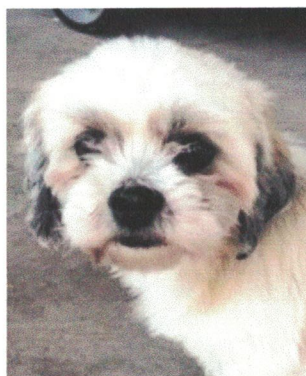

Thank you for your kindness and support. Happy "Pawlidays" from all of us at Lap Dog Rescue of NM.
